2026-10-11T12:00:04Z [WARNING] Fictional pressure trend was reported; no numeric value recorded.

2026-10-11T12:00:07Z [ERROR] Fictional interlock was reported; physical cause remains unconfirmed.

Evidence limits

This document is narrative evidence, not a procedure or waveform. PDF import preserves selectable text only; the title, headings and footer also become text records. Mixed timestamped and untimed lines therefore use explicit row order.
